Mohawk College Cyber Security Club
Meeting Minutes – February 11th, 2021

Num. of Attendees: 9   Start Time: 7 p.m.   End Time: 8:44 p.m.

Announcements

➢ February 13 – the Islamic Student Association Club is holding a trivia night starting at 8 pm.

➢ February 17 – MSA Clubs Event Day event for student club members from 2-4 pm. Playing Jackbox games, sign up here: https://docs.google.com/forms/d/e/1FAIpQLScqEVVp4FyKomFp5G5wnDqLQAyaRGwr79-JG8rXkTDHU3n-8w/viewform

➢ HackStudent event – hosting CTF for students in the Hamilton-Wentworth schoolboard. Looking for volunteers to help out as Team Leads and mentor 3-4 students, working alongside them on the challenges. Staggered over 5 days. DM Kevin (Kevin W.#4118) on Discord to test out the platform and then reach out if interested in being a team lead.

Meeting

➢ **Book Club Discussion**
   o The Hacker Playbook 3 - Pages 27-32
   o "PowerShell Empire"
   o You can save an attack to refer to it again in the case it disappears
   o DNS – Domain Name System – changing websites to IP addresses
   o Has Empire been archived?

➢ **TryHackMe – Vulnversity Continuation**
   o Finishing the Burp Suite Task
   o Recap of how to use Burp Suite to identify allowed file extensions
   o How to upload a reverse shell and set up a netcat listener

➢ **TryHackMe OWASP Top 10 Room**
   o Open Web Application Security Project
   o Injection – SQL or Command – 1' or 1' -- <this code will be ignored>
   o Active Command Injection – running commands on "evilshell.php website" to gain information about the system
   o How to exclude results from a search
